

November Update for Groundbreakers to Harvests, a church planting movement.

The DFW Area is projected to grow by a million people in the next 10 years. With many of those people moving to the small towns surrounding the metroplex the Harvest is ready and coming to us. That is why we believe now is the time to plant churches and connect people to the Good News of Jesus.

Celebrations

God is turning the heart of our churches toward the harvest. We have hundreds of people across the metroplex and beyond who have taken the ten02 challenge and set their alarms for 10:02 every day to remind them to pray for the harvest (taken from Luke 10:2). You can join the movement, download resources and find out more information at www.Ten02life.com

Church Plant Updates

We are currently working on two church plants in the DFW area.

The Table Church Plant in Little Elm/Aubrey

- The Table Church continues to grow as we continue to get new families every month.
- We have outgrown our current worship space and are looking for a more permanent space for the New Year.
- Go to www.TheTable380.church for the latest meeting locations and times.

The Church Plant in West Alliance/Avondale

- We currently meet once a month for Dinner and Worship on Saturday Nights.
- We are planning to increase the frequency of our gatherings twice a month in the new year.

Invitations

- Stay connected and join the prayer team at www.GroundbreakersLife.com
- Make a donation to support the church planting movement.
- Visit us on Facebook. Go to [Facebook.com/TheTable380](https://www.facebook.com/TheTable380) or [Facebook.com/Groundbreakerslife](https://www.facebook.com/Groundbreakerslife)
- Pray everyday for the Harvest and that God would continue to send us into those fields.

<https://youtu.be/Piv2R-xrSTM> - Please feel free to share our video update as well.

Please email Travis@GroundbreakersLife with any questions or concerns.
