

Theological and Leadership Formation Resource Center

Mission:

To support the Evangelical Lutheran Church of Eritrea in developing competent and well-resourced pastors, missionaries, and church leaders for the evangelization of the people of Eritrea and Northern Ethiopia.

Major Foci:

Work with the Evangelical Lutheran Church of Eritrea to strengthen the Beleza Bible School through:

- Translation of the Confessions of the Evangelical Lutheran Church, and the Theological Education by Extension materials into the Tigigna Language.
- Teach intensive courses/workshops three times a year for continuing education for the current pastors and the development of the Bible School students.
- Work with the Mekane Yesus Seminary to establish an accredited school of Theological Education and Leadership formation/business school.

Short term:

- Fact-finding mission trips to Eritrea and Ethiopia to ascertain the immediate needs of the Evangelical Lutheran Church of Eritrea.
- Set up the structure for the translation work of the Theological Education by Extension materials through local translators.
- Begin the translation of the Book of Concord.
